

Welkin Orbital® Wants You.

At Welkin Orbital, we believe innovation begins with people. Your dedication to excellence makes breakthroughs possible.

Why wait for the future when you can build it?

EMPLOYEE BENEFITS[†]

- Comprehensive health & bio-maintenance coverage
- Performance-based bonuses tied to quarterly deliverables
- Discounted cryogenic storage plans for extended assignments
- Tuition assistance for dependents

CAREER DEVELOPMENT

- Internal transfer pathways across R&D, Operations, and Administration
- Quarterly recognition awards for Innovation, Compliance, and Synergy
- Mentorship programs led by senior staff

Together, we expand human potential.

Together, we are Welkin.

† Employee benefits are subject to clearance level, departmental assignment, and continuous satisfactory performance. Availability may vary by system, sector, or assignment duration. Bio-maintenance coverage excludes elective augmentations and unauthorized modifications. Tuition assistance applies to accredited STEM institutions only; dependent eligibility requires verification per Policy 14.6. Cryogenic storage discounts are limited to approved mission profiles and are non-transferable. Bonuses are not guaranteed and are contingent on corporate performance metrics. Welkin Orbital reserves the right to amend, suspend, or discontinue any program without prior notice. Use of Welkin Orbital services constitutes acceptance of applicable policies and procedures.
